

Lithium Ion Portable Solar Power Bank 30000mah 110V / 220V For Outdoor Camping

Our Product Introduction

for more products please visit us on enikolnewenergy.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: ENIKOL
- Model Number: EPA-111
- Minimum Order Quantity: 100 sets
- Price: \$72.00/sets 100-499 sets
- Packaging Details: Colorful box
- Supply Ability: 1000 Set/Sets per Month

Product Specification

- Power Source: AC Adaptor, Car, Solar Panel
- Battery Type: Lithium Ion
- Inverter Type: Pure Sine Wave
- Controller Type: MPPT
- Special Features: Type C, USB, DC
- AC Voltage: 110V/ 220V
- Battery Capacity: 111WH (30000mah)
- AC Rated Power: 100W
- LED Light: 4 Levels Of Brightness, SOS Mode
- Charging: AC/ Solar/ Car Three Charging Ways
- Cycle Life: ≥500times
- Warranty: 1 Year
- Size: 119 * 110 * 150mm
- N.W: 1.2kg
- Battery Protection: Over

Product Description

Portable Solar Energy Battery Storage Power Bank for Outdoor Camping of Portable Power Station

Rated Capacity	111WH
AC Rated Power	100W
AC Voltage	110V/220V
Size	119 * 110 * 150mm

Our Product

N.W	1.2kg
Warranty	1 year
Design Life	≥5 years
Protection Function	Over current/ Over voltage/ Overcharge/ Over-discharge/ short circuit/ Overtemperature, etc

Product Description

30000mAh

Portable Power

Emergency Supply

Necessary for outdoor emergency

Support Solar Panel Charge

High Rate Discharge Lithium Battery

Support DC output

Handle Design

Multi-Output Port

High Brightness LED Light

Portable Power Station Smart & Portable

Portable Power Supply, essential product for indoor emergency lighting, and power supplement for power shortage areas, backup power supply for various electronic device, camping etc.

30000
mAh
High Rate Discharge
Lithium Battery

AC	110V/220V
DC Input	11V~22V/1.5A
USB	USB1+USB2 (Max:4.2A) 5V/9V/2.1A(Max3.1A)
TYPE C	5V/9V12V/15V/20V(Max 30W)

Dual charging methods Multi-output Ports

Solar / DC Input

AC / DC / USB / TYPE-C Output

Various type of AC outlet as option

Tiny but Powerful

30000mAh High rate charging and discharging lithium battery

Good heat dissipation performance Stable and reliable

Built in fan for cooling
automatically work when temperature raise

LED display

Status of Battery capacity, AC, USB, DC, TYPE C
are show on this display screen

High brightness light brightness adjustable

Brightness adjustable by hand for reading light,
SOS mode available

4 levels of brightness adjustable

Portable power station in your hand

Handle Design

Essential product for indoor emergency
lighting, and power supplement for power shortage areas,
backup power supply for various electronic device, camping etc.

Smart chip multiple protection

Robust and Safe, Stable and reliable

Over-charge
protection

Over-dis charge
protection

Over-voltage
protection

Short circuit
protection

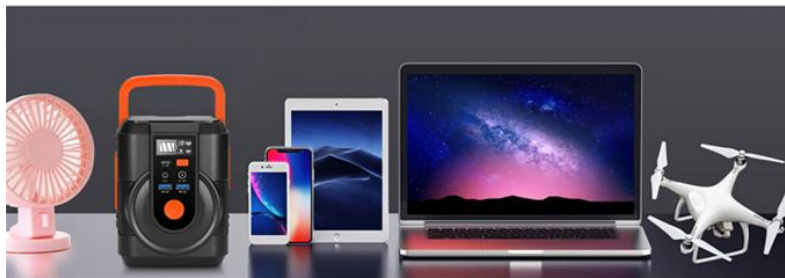

Over-temperature
protection

Over-current
protection

Application Range

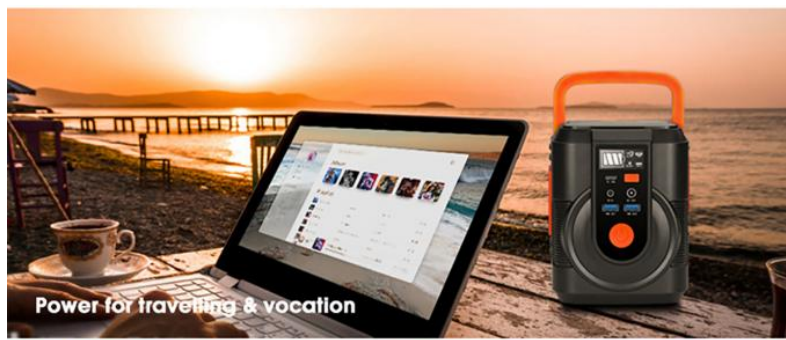

Portable Power Supply, essential product for indoor emergency lighting, and power supplement for power shortage areas, backup power supply for various electronic device, camping etc.

Automatically identify device connected, supply right voltage and current match the device, compatible with smart phone, tablet PC etc.

Indoor Emergency lighting/power

Product Parameter

Battery	High Rate Discharge Lithium Battery
Capacity	30000mAh
Capacity Indicator	LED display
Charging current	1A
Charging voltage	11V~22V
Full charge time	19V/1.5A :~6 hours
DC Input	11V~22V/1A
Solar Input	11V~22V/1A
USB A Output	USB1+USB2 (Max:4.2A) 5V/9V/2.1A(Max3.1A)
TYPE C Output	TYPE C 5V/9V12V/15V/20V(Max 30W)
DC Output	12V-16.6V/ 10A 13A(MAX)

Company Information

COMPANY DYNAMIC

Damien new energy technology Shenzhen Co., Ltd. is located in Guangming District, Shenzhen, Guangdong Province, China. The company has been committed to the R & D, production, and sales of new energy and supporting products. The main products are energy storage lithium batteries, outdoor portable power supplies, solar panels, and their components, solar inverter, glow stick, and so on. The products are widely used in large-scale photovoltaic energy storage projects, UPS energy storage, outdoor emergency, household energy storage, electric vehicles, security products, fire emergency equipment, various digital electronic equipment, etc. With high-quality products, a good reputation, and excellent services, it is sold well in Europe, North America, the Middle East, Southeast Asia, Africa, and other countries. The company has more than 10 senior engineers and more than 40 professional technicians. Damien has the ability to provide customers with all-around design and manufacturing. We can customize these products according to your needs and provide them to customers all over the world. Damien new energy has won wide praise for its excellent quality in the field of lithium battery and photovoltaic energy storage. The company has always adhered to the principle of, quality first, customer first, high-quality service, and abiding by the contract, providing customers with high-quality products and high-efficiency services. We will serve our customers wholeheartedly to achieve a win-win situation.

FAQ

1. who are we?

We are based in Guangdong, China, start from 2021, sell to Mid East(20.00%), Africa(20.00%), Western Europe(15.00%), North America(15.00%), Northern Europe(10.00%), South Asia(10.00%), Eastern Europe(5.00%), South America(5.00%). There is a total of about 51-100 people in our office.

2. how can we guarantee quality?

Always a pre-production sample before mass production;
Always final Inspection before shipment;

3. what can you buy from us?

Glow Stick, Energy Storage Lithium Battery, Outdoor Portable Power Supply, Solar Panels, Solar Inverter

4. why should you buy from us, not from other suppliers?

Damien tech is an industry and trade integration enterprise, with super strong technology and production capacity, products include all kinds of power supplies, and the most important thing is to customize all kinds of power supplies according to your needs.

5. what services can we provide?

Accepted Delivery Terms: FOB, CIF, EXW, FCA, DDP;
Accepted Payment Currency: USD, EUR, AUD, CNY;
Accepted Payment Type: T/T, L/C, D/P, D/A, MoneyGram, Credit Card, PayPal, Western Union, Cash;
Language Spoken: English, Chinese, Spanish, Japanese, French.
